

Heating & Cooling Systems

EVOLUTION™ SYSTEM

90+% GAS FURNACES

Model 987M and 986T

Benefits of an **EVOLUTION™ SYSTEM**

Maximize winter energy bill savings

Up to 98.3% Annual Fuel Utilization Efficiency (AFUE). AFUE is a measure of how efficient your furnace is at converting the energy in fuel to heat.

Maintain consistent comfort

System automatically adjusts to conditions, reducing temperature and humidity fluctuations.

Easy-to-use Control

Manage your entire home's comfort with full-color touch screen, mobile app¹ or voice commands.²

Customizable

Tailor your system to your lifestyle with occupancy sensing, zoning and remote-access technology.

Monitor system health

Receive reminders for filter changes and tune-ups. Your system can also automatically alert your dealer if it needs service.

Rest easy with a long warranty

10-year parts and lifetime heat exchanger limited warranty when registered on time.³ In addition, Model 987M offers the Red Shield™ 10-year unit replacement limited warranty (heat exchanger failure only) upon timely registration.³

Model 987M Only³

72°

Control and Smart Sensor sold separately

Outstanding comfort **WHATEVER** the temperature outside.

Perfect Humidity® Technology

Helps ensure great summertime dehumidification when system components include multi- and variable-speed cooling products.

Hybrid Heat® Dual-Fuel System

A dual-fuel solution that combines an electric heat pump with a gas furnace. This allows the system to choose the most efficient fuel source while delivering year-round comfort and efficiency.

featured TECHNOLOGIES

Complete Evolution™ system furnaces feature these exclusive advancements.

Fan On Plus™ Technology

Helps improve comfort all year long by allowing you to select different fan speeds during continuous fan operation.

Perfect Heat® Technology

Continually monitors and adjusts performance for multi-stage furnaces using current and past conditions.

SmartEvap™ Technology

Helps prevent unwanted humidity from re-entering your home when paired with a compatible thermostat.

Gain more control with a complete **EVOLUTION™ SYSTEM**

With highly advanced communication at its core, a complete Evolution system gives you total control over your home's temperature, humidity, ventilation, air quality and zoning.

EVOLUTION CONNEX™ CONTROL

Capable of managing a complete home comfort system including humidity, ventilation and zoning.

EVOLUTION AIR CONDITIONER

High-efficiency cooling power delivering whole-home comfort and energy savings.

EVAPORATOR COIL

Matches to the proper outdoor unit to provide top cooling efficiency and years of reliable service.

AIR PURIFIER

Uses Captures & Kills® technology to inactivate 99% of select airborne pathogens trapped by the filter, including coronavirus, bacteria and other pathogens.⁴

HUMIDIFIER

Alleviates dry air by adding moisture.

VENTILATOR

Transfers heating and cooling energy to the incoming fresh air.

BRYANT® HEATING SOLUTIONS

There is a Bryant product for almost any heating and cooling need or budget.
Only your Bryant dealer can help you decide which is right for you.

- When connected to the Internet through a Wi-Fi® network
- Voice command requires using Amazon™ Alexa™ smart skills.
- The limited warranty period is five years on parts and 20 years on heat exchangers if not registered within 90 days. Jurisdictions where warranty benefits are not conditioned on registration will automatically receive a 10-year parts limited warranty and a lifetime parts limited warranty on the heat exchangers. See warranty certificate at bryant.com for complete details and restrictions.
- The Evolution air purifier has demonstrated effectiveness against the murine coronavirus, based on third-party testing (2020) showing a >99% inactivation, which is a virus similar to the human novel coronavirus (SARS-CoV-2) that causes COVID-19. Therefore, the Evolution air purifier can be expected to be effective against SARS-CoV-2 when used in accordance with its directions for use. Third-party testing (2012, 2007) also shows ≥99% inactivation for the type of virus that causes common colds, Streptococcus pyogenes and human influenza. Airborne particles must flow through your HVAC system and be trapped by the MERV 15 Evolution filter to be inactivated at 99%. Learn how it works at Bryant.com/purifier.
